

It is extremely important to protect the FM translators that broadcast K-LOVE listener-supported radio. K-LOVE is a crucial life line for many people. It provides family-friendly music and commentary that cannot be found anywhere else. The positive and uplifting message has been a meaningful part of so many lives and communities across the country. I have been a financial supporter of K-LOVE since 1998 and would be devastated if it were lost. I live in a very rural part of Oregon where I am an hours distance from nearly everything. K-LOVE allows me to stay connected to a shared community without ever leaving my home. Please protect K-LOVE. It has a very positive impact on the lives and the communities it touches.

Sincerely,
Lynne K. Cavin
